"Alma Mater"

Where Black River meets the hill
In a valley peaceful still
Stands a school which we all cherish
To her glory loud we sing

Alma Mater praise we bring
May our memories ever cling
To the days, the friends of Louville
Alma Mater, here's to you.

By Miss Ann Van Brocklin
(Mrs. Theodore Smith)

FOREWORD

The time which we have awaited so long is at hand. We have nearly reached our first big goal in life, our graduation from high school. Soon we too, the Class of 1960, will be numbered as alumni of Lowville Academy and Central School.

This first era in our lives has been one of growth—physically, mentally, and spiritually. We could compare the changes in our lives during this time with the changes in the world from the Dark Ages to the present. As the navigators of the Dark Ages depended on the stars to guide them to their destiny, we, too, have depended on “our stars” for guidance in these first years of our lives.

The brightest “stars” which have guided our steps throughout our childhood have been our parents. The light which they have shown on us has been characterized by love, understanding, and unselfishness.

A second group of “stars” by whose light we have been led is the many teachers who have instructed and inspired us throughout our school days. It was this group which made it possible for us to emerge from “the Dark Ages” of our lives.

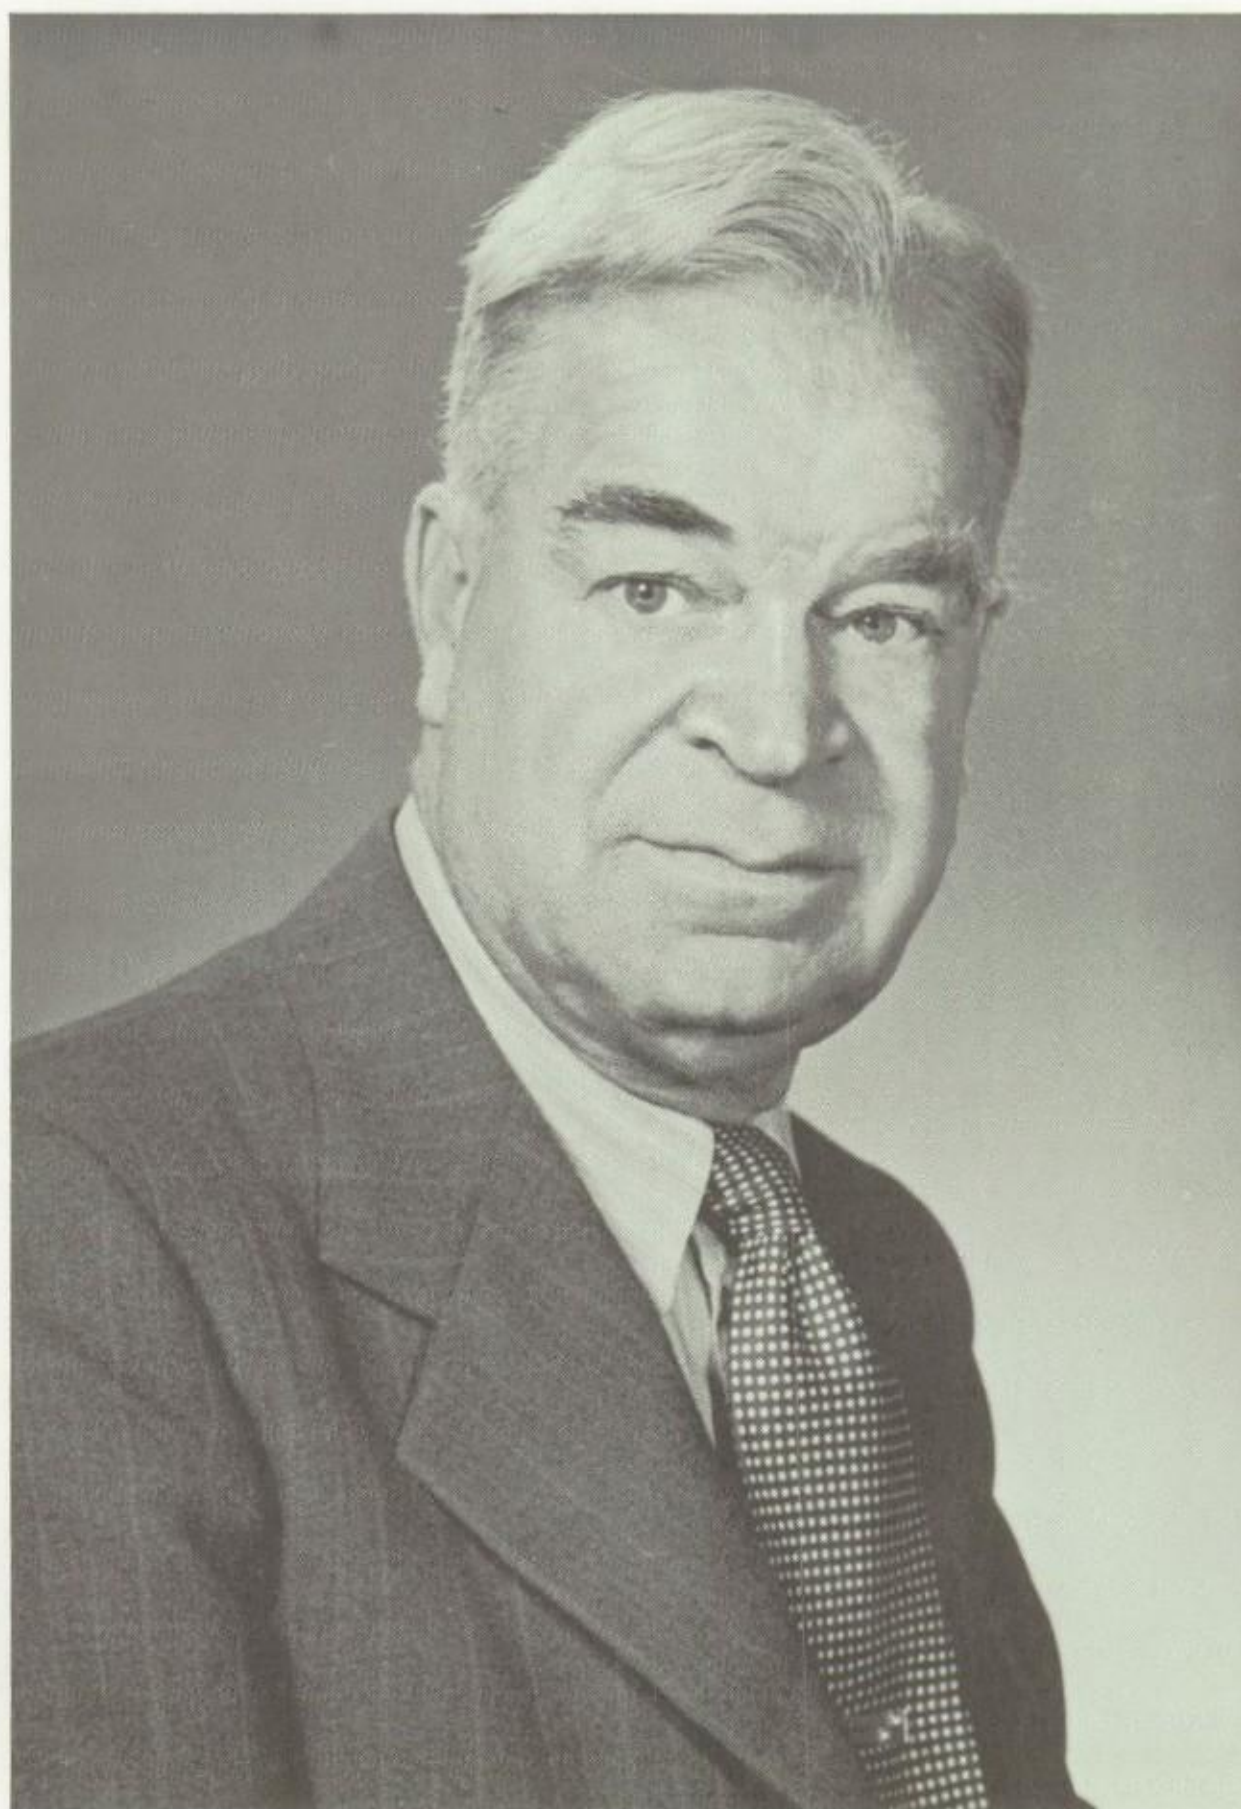

About the time we entered Junior High School, a new period began, the Renaissance of our lives, better known as adolescence. During this period we have become better acquainted with the world and with its people. We have become more enlightened and some of us have become small “stars” ourselves in some field such as athletics, music, or science.

Now, as we leave high school, the space age is just beginning. In order to better prepare ourselves for this age, many of us will continue our education. Those of us who are not going on to school, as well as those who are, can become successful citizens of the space age by taking a keen interest in world affairs and by taking a part in our community.

In the future many times each of us will come across our high school diploma which we will have so carefully preserved and each time we will be reminded of our years in school, but we will want more than a diploma to remind us of school. Therefore, we have spent many hours to prepare something which will help us to relive in our minds our life at Lowville Academy. With great care we have compiled a memory book of our high school life, *The 1960 Lowacadian*.

DEDICATION

Good luck
to you Paul
and hope
you will
always be
as
successful as
you have been

Luther B
Askin

LUTHER B. ASKIN

Lowville Academy and Central School has an outstanding organization, our band, which is known all over the state for its excellent performances. Connected with the name of our band and even more well known is your name, Mr. Askin. Musicians all over the state have paid tribute to you and many have honored you with the title of "The Sousa of the North Country." It is through your efforts over many years that our band has increased in size, achievement and fame.

We, the Class of 1960, consider it a great honor to dedicate our Lowacadian to you. We will always remember your band, not only for the entertainment which it has provided for us, but also for the part it has had in giving our Alma Mater a name of which we are exceedingly proud. You, Mr. Askin, will always have a special place in our hearts and in the history of our school.

Each of us owes so much to our parents that we cannot possibly express our full appreciation of them on this page. We can *show* our appreciation, though, by striving to always let our actions reflect the virtues and high ideals which our parents have instilled in us. In this way any praise which we receive will in reality be praise for our parents for an undertaking well accomplished.

The best of luck to
a swell guy. Remember
all of the good times
we've had (the bad times too)
you and your temper. I'm
sure you will be a big
success in life. Just don't
forget ol' Lowville. Have fun
next year in College and
watch those Republicans.

Susie

Miss Lowacadian 1960 and Attendants

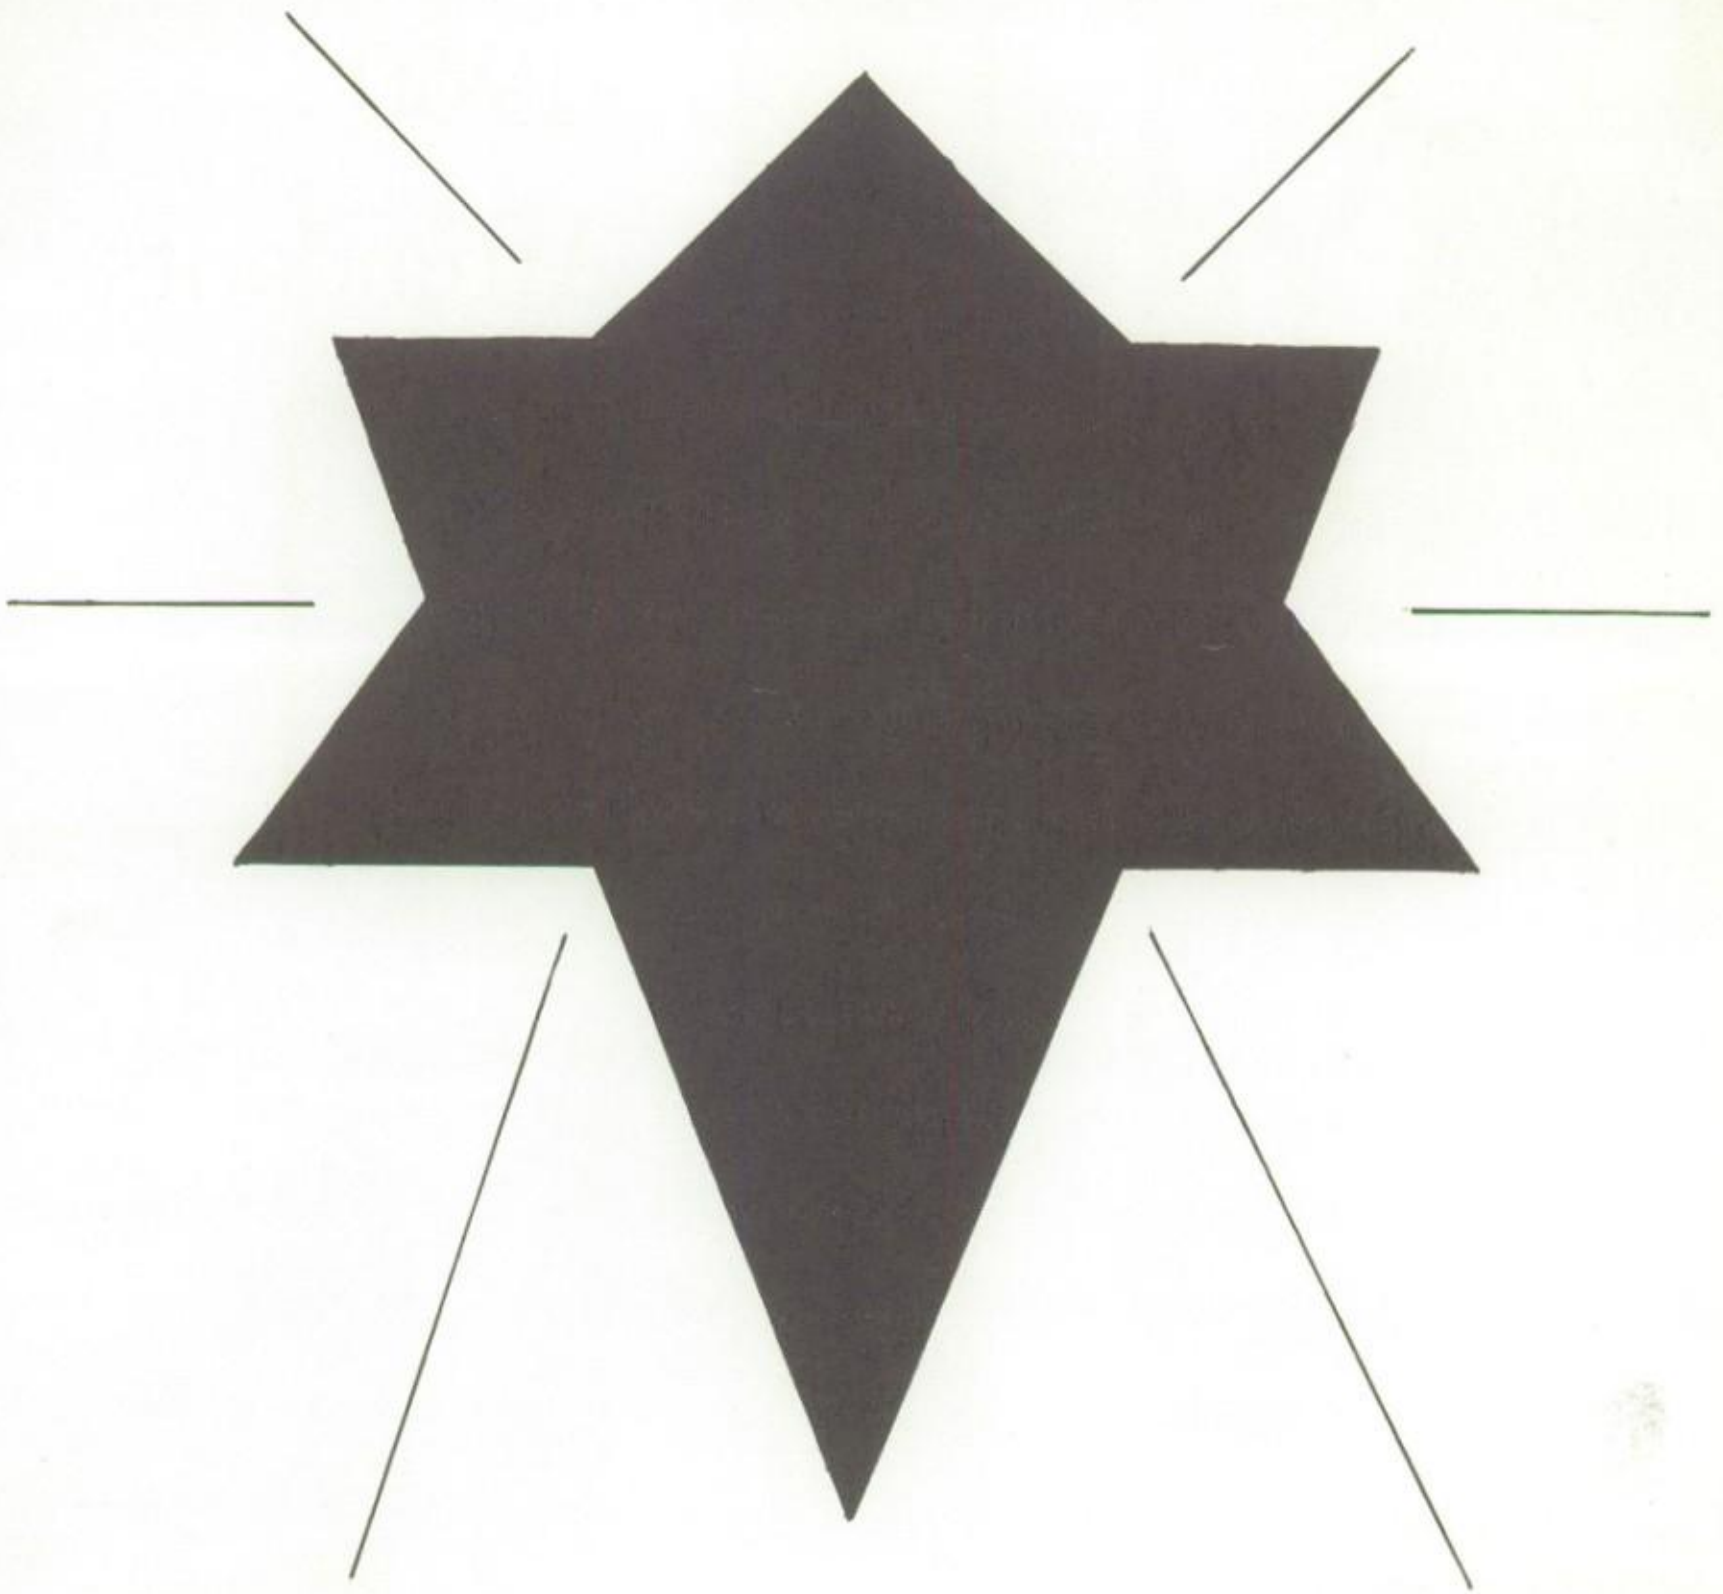

Paul,
I was going to wish you
luck, but I'm sure you won't
need it! There are alot of times
that I really envy you. I'm
going to miss good ole Mr.
Shepland's room with your
little squabbles (I cant even
spell it!) It's a strange feeling
to know we'll all be going
our separate ways shortly. I'll
sure miss everyone. I hope
life is good to you always
You certainly deserve it!

GRADUATES

CLASS OF 1960

Class History

In climbing the ladder to the top we, too, started as lowly "Frosh," with graduation only a shining light in the distance. As our first leader we chose Robert Stevens who was assisted by Patrick McPhilly as vice-president, James Ingersoll as secretary, and Thomas Glenn as treasurer. With Mr. Everett Jones as our one and only advisor we began our journey, a little wary and very inexperienced. Our first real success came in February when the class sponsored a spaghetti supper and the towns people asked us to repeat it every year.

By the school year 1957-1958 we had earned the title "Sophomores" but still hadn't reached the upperclassmen level, which we were all anxiously awaiting. Ray Walsh became president; Robert Stevens, vice-president; and Richard Higby took over the job of keeping all our records. We chose a new advisor, Mr. Francis Blaisdell to help Mr. Jones. Activities that year included the spaghetti supper in February and the traditional Sophomore Sweetheart Ball.

When we reached our third year of high school, we finally gained the title of "upper classmen" and many new opportunities were opened to us. Again we chose Ray Walsh as our president. Assisting Ray were Robert Stevens as vice-president, John Aubel as treasurer, and

Sandra Allen as secretary. Our class advisors were: Mrs. Dorothy McCue, Mr. Francis Blaisdell, and Mr. Everett Jones. We started the year with activities such as the Junior-Frosh Dance and the Junior-Senior Festival. The annual spaghetti supper was held in March. Through the direction of Mr. Cecil Bishop, we were able to produce the play *Beauty and the Beef* with success. The Junior Prom ended the activities for that year but they will live forever in our memories.

At last we gained the title "Seniors," Class of 1960. With the title came many new responsibilities and much hard work. We chose Ray Walsh for president, Allan Gyore, vice-president, Carolyn Hanno as secretary, and Paul Roman as treasurer held onto our hard-earned money. Because Mr. Jones had left the school, we chose another advisor who was really new to all, Mr. John Graveley. Mrs. McCue and Mr. Blaisdell continued their respective positions as advisors. Under the direction of Mr. C. J. Shapland, the Senior Class produced the play *Annie Get Your Gun* with great success.

We would like to give our heartfelt thanks to all our advisors and to anyone who may have helped us push onward. Never will we forget their patience and guidance. Soon we will reach our ultimate goal—graduation.

Seated: Mr. Francis Blaisdell, advisor; Mrs. Dorothy McCue, advisor; Mr. John Graveley, advisor; Carolyn Hanno, secretary. Standing: Paul Roman, treasurer; Ray Walsh, president; Allan Gyore, vice-president.

Sr. High Student Council

The Student Council is an organization which tries to create a cooperative union between the student body and the faculty. The members represent each home room at meetings where they discuss problems as they arise. In this way they learn the procedures of a self-governing body. This experience will prove beneficial to all in preparation for active citizenship.

Among the activities of the Student Council this year, was scheduling all the activities of classes and organizations, and attending the Jefferson-Lewis District Student Council meetings at which Kathy Finn was Secretary.

We were aided in our work this year by Dr. Hodgson.

Noon Whistle

A complete revamping job was the first order of business for the editors of the "Noon Whistle" this fall. The paper was given a facelifting job and other changes were made throughout the year.

Paul Roman was editor-in-chief, with Beth Boshart and Bonita Havas as assistant editors during the first semester and Katy Copeley and Margaret Cassie in

those positions during the last half of the year.

An exchange program was carried on with various schools around the state. "The Commentary," consisting of essays on contemporary events, was published several times during the year. Mr. Raymond Tucker assisted the staff as advisor.

Character, Scholarship, Leadership, and Service are the four passwords which open the doors of the National Honor Society to a student. Membership is granted to fifteen per cent of the graduating class, five percent in the fall of the Senior year and the remaining ten per cent in February.

Among our activities were publishing the "Torch"

and sending representatives to and supporting the Exchange Student Committee. We also participated in the tapping ceremony in which new members were taken into the society followed by a tea for Lowville and visiting Carthage members. Much credit goes to our advisors, Mrs. Lawrence and Mr. Zeller.

French Club

Pour parler français—to learn to converse in French, is the purpose of the French Club or Le Cercle Francais. It is an organization for all students who have taken at least one year of French. Informal monthly meetings are held at the home of a member. The programs, which are presented in French, are designed to acquaint the

student with the government, customs, and accomplishments of the French people. After a short business meeting, the members participate in French games, songs, skits, and records. Following the meeting light refreshments are served. The meetings are enlivened by the presence of the French Club's advisor, Mme. Ford.

Junior Play

In our Junior year we presented our first class play, "Beauty and the Beef," under the direction of Mr. Bishop. In the play, Ginny Allen (Regina Krenceski), who had just moved to town got a crush on the school's football hero, Beef (Dick Higby), who was far from a good student. Ginny was an excellent student, but she had resolved not to let anybody in town find out and especially Beef. In her attempt to hide her "Brains," she got Beef into trouble. The method she used to get him out of this trouble furnished laughs for everyone.

Senior Play

ANNIE GET YOUR GUN

This year we did a more difficult play, a stage adaptation of the musical "Annie Get Your Gun." Marge Pedersen played the part of Annie with Larry Nuspliger playing Frank Butler. We had an unfortunate happening in that our Swiss Sitting Bull, Hans Wipf became ill the day before the play and had to miss both the morning and evening performances. However, Sam Farney replaced him and did an excellent job. Our play was a great success and our star, Marge Pedersen, even received roses on performance night. We wish to thank Mr. Shapland for directing us.

Athletic Association

The purpose of the Athletic Association is to increase student support of our athletic program. The Athletic Association sells season tickets to sports' events, takes tickets at the games, and arranges pep assemblies. It also sees that the student body gets schedule cards for the athletic events.

The Athletic Association is made up of two groups, representatives and regular members. The activities mentioned above are carried out by the representatives. This group is composed of one representative from each class and one from each sport team. The second group is composed of those who have purchased season tickets.

Although we lost some good runners with the graduation of 1959, our Cross Country team did very well in this its second year. We placed second or third in most of our meets, but we made the sectionals, where we placed first in Class B schools. As a result we not only were entitled to take part in the intersectionals, but we also won a trophy of which we are very proud. We placed fifth in the intersectionals.

After the 1959 graduation we lost many players and so this fall we had a comparatively inexperienced team. Our line was big, but slow, and our backfield was small. Despite our handicaps, the team trained rigorously with the untiring help and encouragement of our coaches, Lew Kibling, Ed Watkins, and Roger Allen. The season began with an impressive victory over Mexico followed by a hard fought-for tie with St. Mary's. Due to injuries and bad luck the team was not able to score another victory for the rest of the season.

Class History

With two years of high school behind us, we started our next to last year with pep and determination, electing new officers and two new advisors. Mr. Campbell and Mr. Kibling had been our advisors in our first two years. This year we needed an advisor to replace Mr. Campbell plus one additional advisor, since we were now Juniors. We selected Miss Smith and Mr. Allen.

As we think about the history of our class since starting high school, we remember the bake sales, record hops, ham supper, and Frosh-Junior which we sponsored as Freshmen. Our Freshmen class officers were Ann Lormore, Theresa Hebdon, John Delles and Harry

O'Connor.

During our Sophomore year, we held the all-important Sophomore Sweetheart Ball with John Steinbrenner and Janet Jackson as king and queen. Ronald O'Leary, Bonnie Gallup, Theresa Hebdon, and John Delles were our Sophomore class officers.

Activities for this year included a ham supper, a paper drive, the Junior-Frosh, the Junior-Senior Festival and the Junior Prom.

Although we have worked hard, we have had fun and are looking forward to being Seniors.

SOPHOMORES

Class History

This year has been very successful for the Sophomores. Our first activity of the year was a record hop. On February 13 we held the all-important Sophomore Sweetheart Ball with Larry Nuspliger and Beth Boshart as king and queen.

In our Freshman year when we first entered high school, we were "scared" and inexperienced, but we began to feel a part of high school after electing officers for our class. Paul Gyore became our first president with Gilbert Walsh as vice-president. Juanita Schmidt

was elected secretary and Sharon Stevens treasurer. We recall with pride the success of the Fosh-Junior and of the Harlem Globe Trotters' basketball game which we sponsored last year.

We appreciate the time and assistance our two advisors, Mrs. Lawrence and Mr. Funicello, have given to us in all our activities during our Freshman and Sophomore years. We are now looking forward to two more successful years in high school, as upperclassmen.

FRESHMEN

Thomas Sickles

We began our Freshman year by electing officers and by asking Miss Fairchild and Mr. Sickels to be our advisors. Our big dance of the year was the Frosh-Junior at which we entertained our "big sister class," the Juniors. To give us a good start toward financing our senior trip, we held a record hop, a bake sale, and a cake walk.

The aim of the Freshman Class has been to have each member on a committee during the year. Because of the cooperation among ourselves and the assistance given by our advisors, our first year in high school has been very successful.

COMPLIMENTS OF

H. FARRINGTON YOUNG

AND

JUDGE FRED A. YOUNG

Dear Mr. Roman: I've learned an awful lot
from you this year. Maybe that sounds sentimental, but
I really mean it. ~~I think~~ I didn't expect to change
this year, but... you and your inferiority complex.
you think you have the world all figured out, but
YOU ARE NOT QUITE RIGHT. you think everybody hates you
because you are different. Why! That's what I've
been wondering. Don't you like my philosophy? But
those drinks really aren't working like they should.
You know darn well that you have lots of good ideas
and one day ~~if~~ you're going to have lots of influence
as well. I know that I'll never, never find anybody like
you anywhere. This year wouldn't have had nearly
as much meaning without you. you were always there.
Good ol' faithful. everybody says that it's all over
now, but we know different - right? in spite of dead
roosters, smashed bottles, and smashed people, I really
hope I'll be seeing you after this year. But I guess that
you know more about what I want than I do. Thanks
for everything. X. "Jim" Copeley

Dear Brother Roman
You and I have had
so many good times together
that I don't know where to start
writing you have done the most important
thing that we really had a blast. In fifth grade you
had a very member birthday party in school. In the
third grade we really had a blast. In fifth grade you
really rased the roof off Miss. O'Connell's home we
roon in the periods. In later years we had ner again
for math and she really broke down an got all excited
over our class. Then in future years in high school we got to be
very hated people. We joined the Plum Corps had fun for the
last two year of our high school. Luke

Paul,
Good Luck to
you: Sharon
Der

Paul

to a good guy
have fun
after you get
out of the
Jail.
